1. Introduction

This course is designed for foreign students who have no or little background of learning Korean. This sixteen-week course intends to help students make rapid progress and accomplish beginning level proficiency of Korean language including Hangeul. Students are also expected to raise their understanding of Korean culture expanding their language experiences in the class.

2. Course Objectives

1. Students will be able to read and write Hangeul.
2. Students will be able to make simple sentences using vocabulary and grammar in the beginning level.
3. Students will be able to express simple ideas in the beginning level of Korean.
4. Students will be able to make discourse and communicate with classmates through class activities.
5. Students will be able to understand not only Korean culture but also other nations culture through social language experience during class.
6. By the end of the course, students are expected to be able to carry out basic level of communication skills and to broaden their understanding about Korean culture.

3. Class types and activities

1. The course is basically offline class conducting face-to-face, however, because of the COVID situation, the course will be operated in combination with the Zoom and video lectures and face-to-face for the semester.
2. During the 1st part of the semester, the lessons will be focusing on the learning of Hangeul, Korean alphabets, and then from Mid-term exam, main lessons using 4 skills will be continued till the end of the semester.
