Lyazat MUSSABAYEVA

International Academy of Business,
Kazakhstan – ISA 2013

“It is not only a one-month holiday in the most beautiful city, but also an investment in your future.”

“After attending IÉSEG, I now have a global network of new friends and a significant advantage in my studies back home. The IÉSEG Summer Academy was a truly life-changing experience and taught me so many valuable lessons, both inside and outside of the classroom. If you are ready to immerse yourself in a multicultural environment, make friends with people from virtually every continent and learn about business in the heart of Europe’s largest business district, then you will enjoy the IÉSEG Summer Academy as much as I did!”

Benefits & Discovery

Main benefits

The best way to spend the summer: discover Paris, expand your academic horizons, build an international network of friends and professors, experience the French way of life and get an insight into global business from top faculty, in one of the best business schools in France.

- > A 4-week intensive program in English
- > For undergraduates and recent graduates
- > To acquire knowledge, develop critical business skills, gain confidence to reach goals and excel in a global professional context
- > Small-size classes give students the opportunity to participate actively and to create lasting friendships, as well as to get to know their professors in a more privileged manner
- > IÉSEG's Paris-La Défense modern campus is located in the heart of Europe's largest business district

"I don't know where to begin: the superb accommodation, the dream campus location, the fantastic professors and coordinators, the interesting courses or the multicultural group? I couldn't have asked for more! This really was an opportunity of a life time and I couldn't be more grateful to have been a part of it."

Katherine LI

University of Queensland, Australia
ISA 2011

"The biggest benefits of participating were the academic knowledge I have acquired and the contacts I have made. It really helps you thinking globally for either academic or professional choices. IÉSEG Summer Academy is unique to each student. You choose the subjects you are going to take and make it personal. More than that, the international environment totally opens your horizons and broadens your network."
